

The CESA Commitment:

Share

To give you the power of up-to-date information and expertise on national, state and local education issues and best practices.

Support

To connect you to trained professionals.

Serve

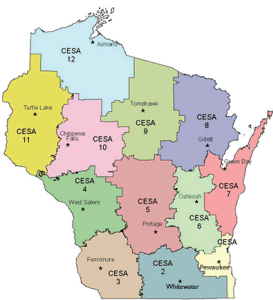

To equip you with valuable programs, professional development, and resources.

The Power of 12

You can count on your regional CESA for your local needs. Now you can plug into the power of every CESA statewide. Working as a CESA statewide network (CSN), all 12 Wisconsin CESAs have partnered to provide a growing menu of cooperative services available to every school district in Wisconsin. It all adds up to more services for school districts.

Contact your local CESA to access these statewide services:

CESA Statewide Network = CSN

- CESAPurchasing.org
- Common Core State Standards (CCSS) Statewide Rollout
- Communication and Public Relations Services for Schools
- Effectiveness Project
- WISExplore Project

Services without geographical boundaries =

Contact your local CESA to access these statewide services and more.

1. CESAPurchasing.org

(www.cesapurchasing.org) - CESA #2 Fiscal Agent
Secure volume purchasing discounts through statewide cooperative purchasing agreements and CSN membership in the Association of Educational Purchasing Agencies.

2. Common Core State Standards (CCSS) Statewide Rollout

(www.corestandards.org) - CESA #7 Fiscal Agent.
Understanding, unpacking and using the CCSS/ Standards Insight Tool. Phased project 2011 – 2015 related to curriculum, instruction and assessment.

3. Communication and Public Relations Services for Schools

(www.cesa6.org/products_services/communications)
CESA #6 Fiscal Agent. School districts can find assistance with their communication and public relations challenges through this service designed just for schools.

4. Effectiveness Project

(www.cesa6.k12.wi.us/products_services/teacher_leader_effect) Cesa #6 Fiscal Agent.
The Effectiveness Project is a professional evaluation system for teachers, educational specialists, leaders and administrators. The system focuses on both the process and product of high quality instruction, including standards of effective practice and student achievement.

5. WISExplore Project

(http://wise.dpi.wi.gov/wise_explorehome) The CESA Statewide Network (CSN) received funding from

a DPI GEAR UP grant to develop a set of guided analysis processes and tools that school districts can use to analyze school performance data included in the new State of Wisconsin Accountability System, WISEdash. Project funds were used to assemble a WISExplore Work Team to design, test, pilot and disseminate the guided analysis tools.

6. Wisconsin Google Apps for Education

(www.cesawi.org/googleapps)
DPI provides virtual space and statewide agreement with Google. CESAs provide deployment, technical support and professional development services.

7. Wisconsin Rtl Center and PBIS Network

Cesa #5 Fiscal Agent. "Virtual Center."
(www.wisconsinrticenter.org and www.wisconsinpbisnetwork.org) High quality instruction. Continuous review of student progress / balanced assessment system. Collaboration among educators, families and the community.

8. Wisconsin Safe & Healthy Schools (WSHS)

(www.wishschools.org) Cesa #4 Fiscal Agent.
The Wisconsin Safe & Healthy Schools Training & Technical Assistance Center helps Wisconsin School Districts implement programs to prevent and intervene in substance abuse and violent behaviors among students, to reduce these barriers to learning.
